We Like to Laugh

11

Meg prays, "Thank You, Jesus, for things that make us happy." She likes to laugh about things.

Tommy likes it when she laughs too. They like to learn and play together.

Meg will laugh a little when she is happy. That makes Tommy laugh too.

“When do you like to laugh?” says Mommy.

"When things are funny,
then I will laugh at them,"
says Meg. "And now you
are being very funny,
Mommy. You make me
laugh."

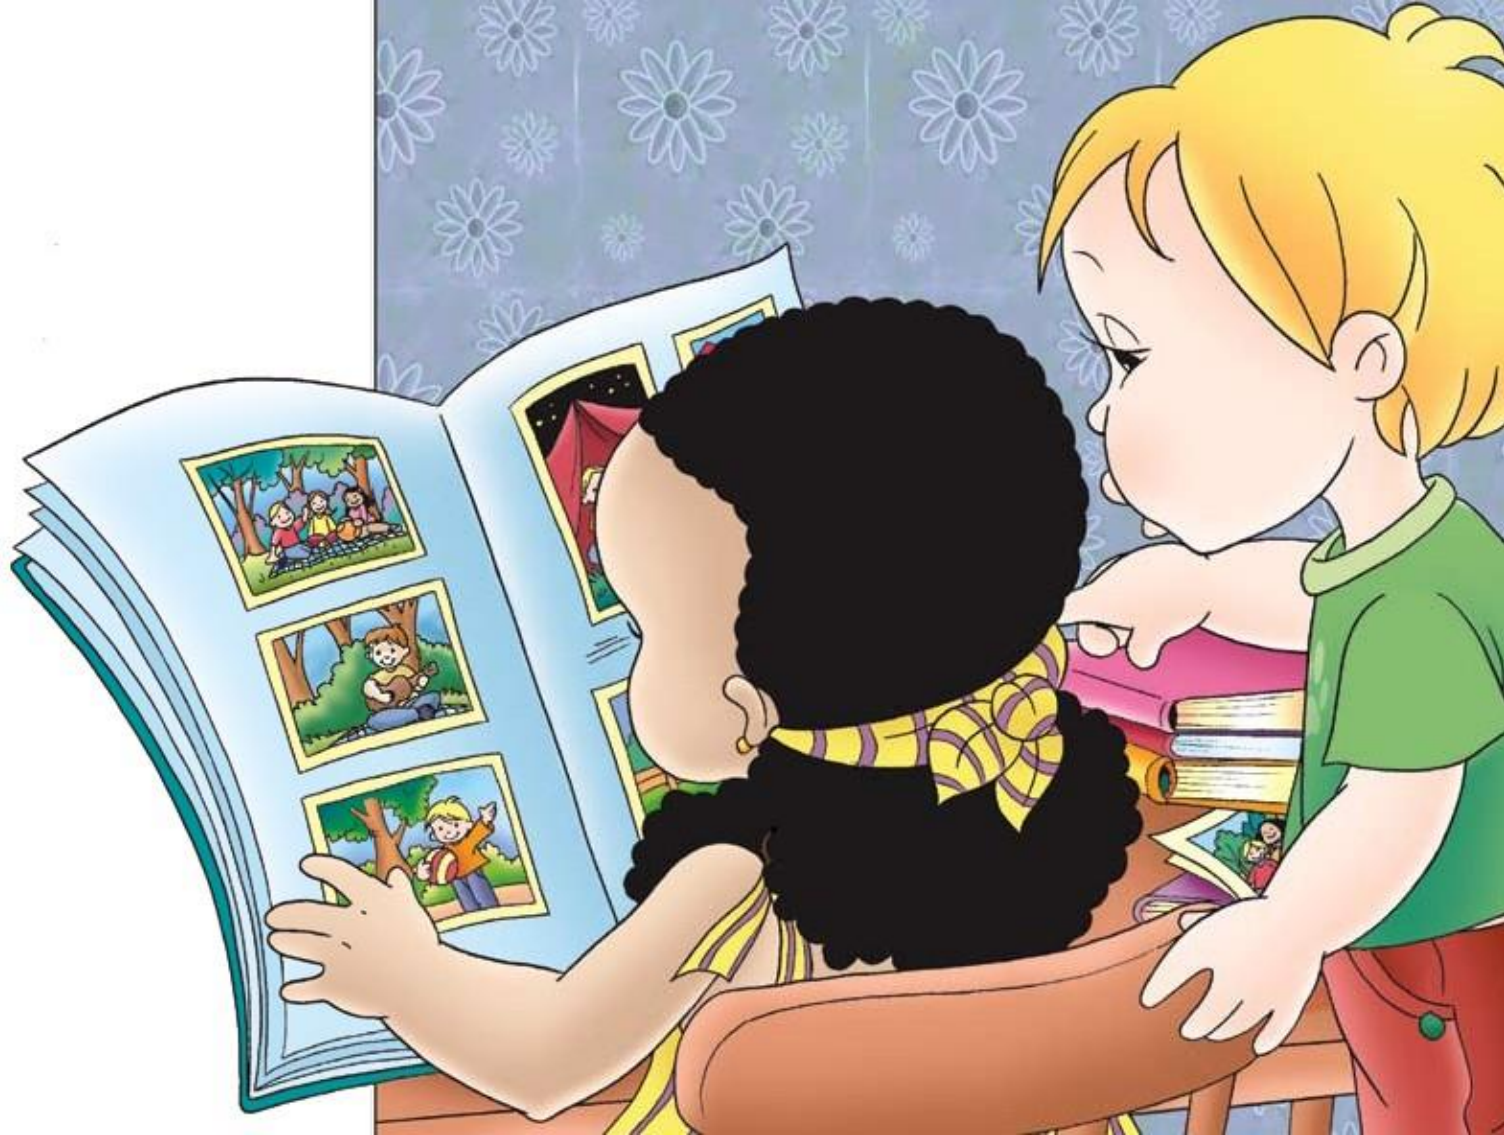

"Now I am being funny!" says Meg. The children love this.

They talk about many things together. Tommy and Meg have so much fun with their friends and family.

"I was at the park with my brothers and sisters," says Tommy. "My brother has fun when he plays songs at the park. It was a good time, with so many fun, fast, and happy songs."

“Jesus wants us to be happy and to learn and do fun things,” says Meg. “He makes us children laugh. Jesus is just so much fun!”

"Yes," says Tommy.
"We have fun and
play, but we like to
pray too. We love
to pray and talk
with Jesus."

“Of all the things that we like to do, we like to pray the best!” says Mommy. “And on top of that, Jesus loves it too!”

“Come and look at this! Come and see my very big line of cars!” says Tommy. “I want you to see it now. Just look at this! It is funny!”

“Your line of cars is good,” says Meg. “Now we can make many lines. Is this good? Do you like my help?”

"Let's see." Tommy laughs with her.
"No, I do not like that help very much. It is not so good. You are just being funny."

“Yes,” Meg laughs.
“But now I do want to help you. I want my doll or my blue ball to be on top of your green car. The car was in the big line that is now many little lines!”

A cartoon illustration of a young boy with blonde hair, wearing a green shirt and red shorts, sitting on the floor. He is surrounded by various toys, including a green car, a red car, a yellow car, a red bus, a purple car, a red truck, and a yellow truck. A small orange cat is also present. The background features a blue wall with a floral pattern and a shelf with more toys, including a box labeled 'CARS'.

"I have a toy I like best too," says Tommy. "It can go like this, here with our line of cars."

"Yes," says Meg. "That blue and red toy will be very good for us to have here."

"Daddy has my toy," says Tommy.

Now Tommy has his toy. It is in the big line. "I like it here," says Meg.

"Me too," says Tommy. "Thank you for your good help."
