

Be Lord

愿主...

Be Lord within me to strengthen me

在我里面给我力量

without me to preserve me
在我外面保卫我

over me to shelter me
在我上面庇护我

beneath me to support me
在我下面扶持我

before me to direct me
在我前面带领我

behind me to bring me back
在我后面引领我回转

around me to fortify me.
在我周围加强我的力量。

A vibrant, surreal landscape featuring a large body of blue water in the center. On the left, a large, dense tree of pink cherry blossoms frames the scene. In the background, several waterfalls cascade down dark, rocky cliffs into the water. The sky is filled with soft, pinkish-purple clouds, creating a dreamlike atmosphere. In the foreground, there is a lush green field with scattered pink flowers and a large, smooth rock on the left side.
