

# Be a Friend

## 做个朋友

Friends are ones who always try to understand. Friends are always giving you a helping hand.

朋友总是会尝试去了解，朋友总是会伸手帮助你，

朋友不管你是富有或穷困，  
他总是会欢迎你！

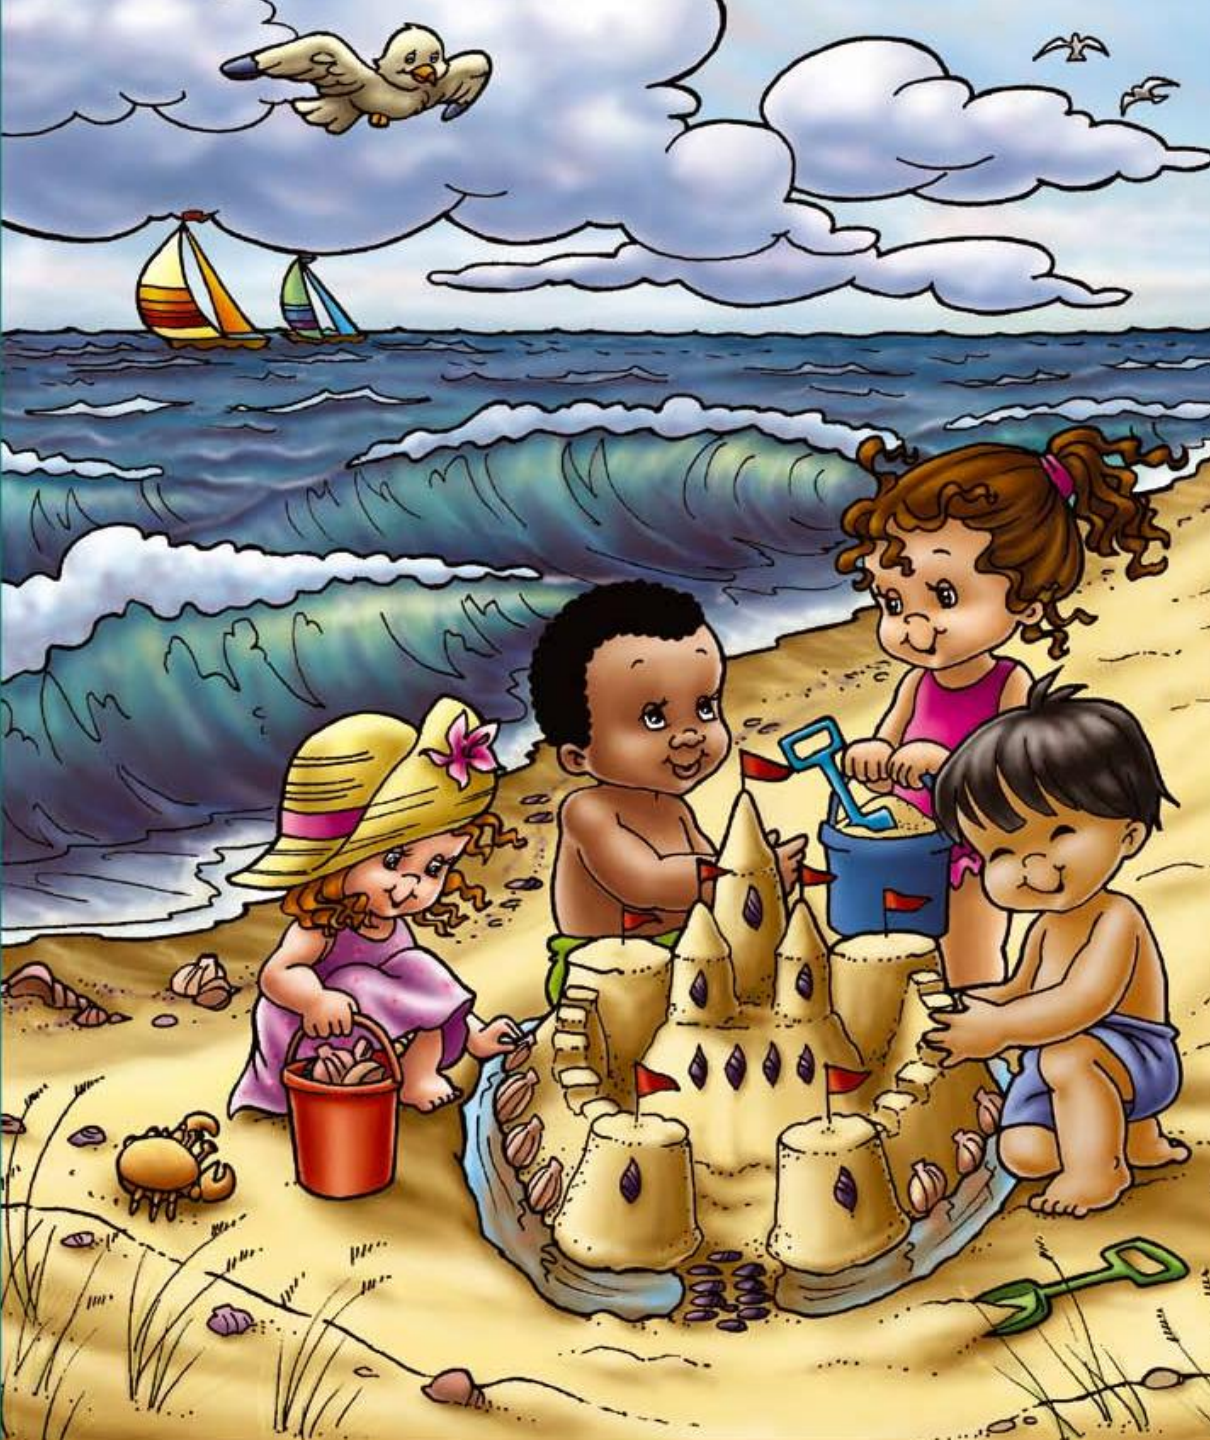

To friends it doesn't matter if  
you're rich or poor;  
You're always welcome at  
their door.

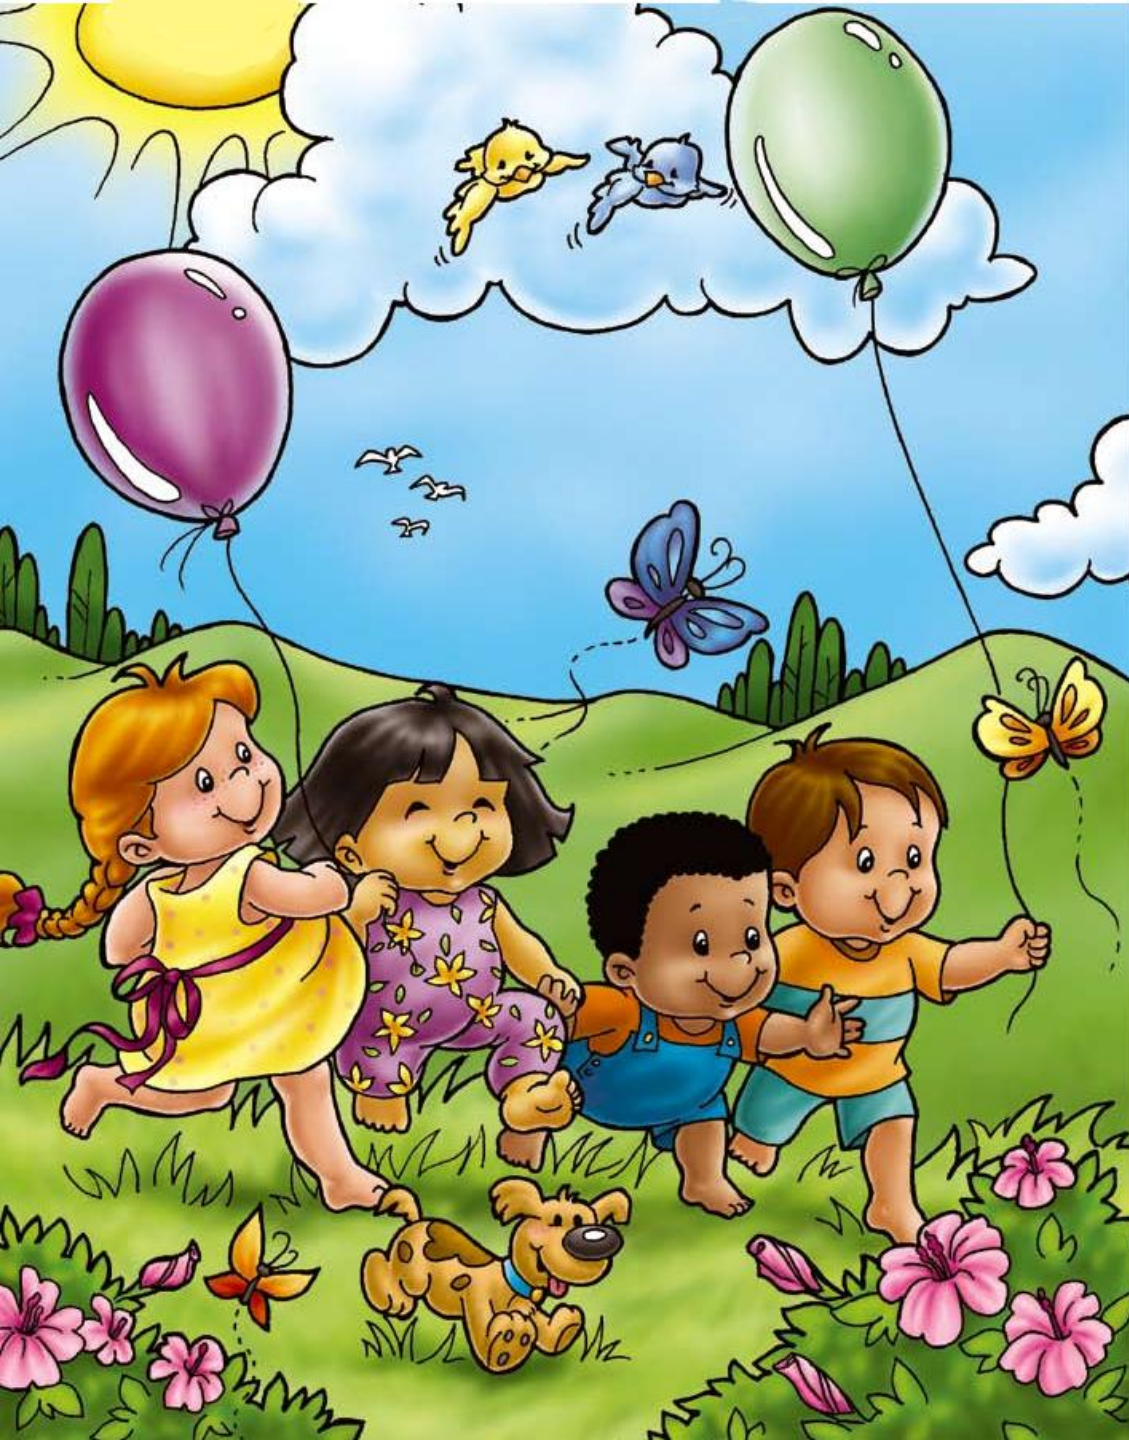

Friends believe you can  
when others say you can't.  
They can cheer you up  
when you are feeling sad.

朋友相信你能做得到，  
当你感到难过会鼓励你，

With friends you can be  
natural and not pretend;  
That's the kind of friend  
I'd recommend.

朋友在一起你不用假装，  
我喜欢这样的朋友！

Making friends is easy if  
you try your best  
To be friendly in all you say  
and do.

在你的言行中表现出友善，  
交朋友便很容易。

Lay aside your problems  
and help someone else,  
And you know they'll  
appreciate you.

忘掉自己的问题去帮助别人，  
朋友会感激你！
