

**A Little Children's Book About Making a Difference**  
*Un librito infantil sobre haciendo una diferencia*

One person can make a difference, and everyone should try.

*Una persona puede marcar la diferencia, y todas deben intentarlo.*

We can change the world and make it a better place. It is in our hands to make a difference.

Podemos cambiar el mundo y hacer de él un lugar mejor. En nuestras manos está aportar al cambio.

It's amazing what God can do  
with what seems so small; like  
you and I!

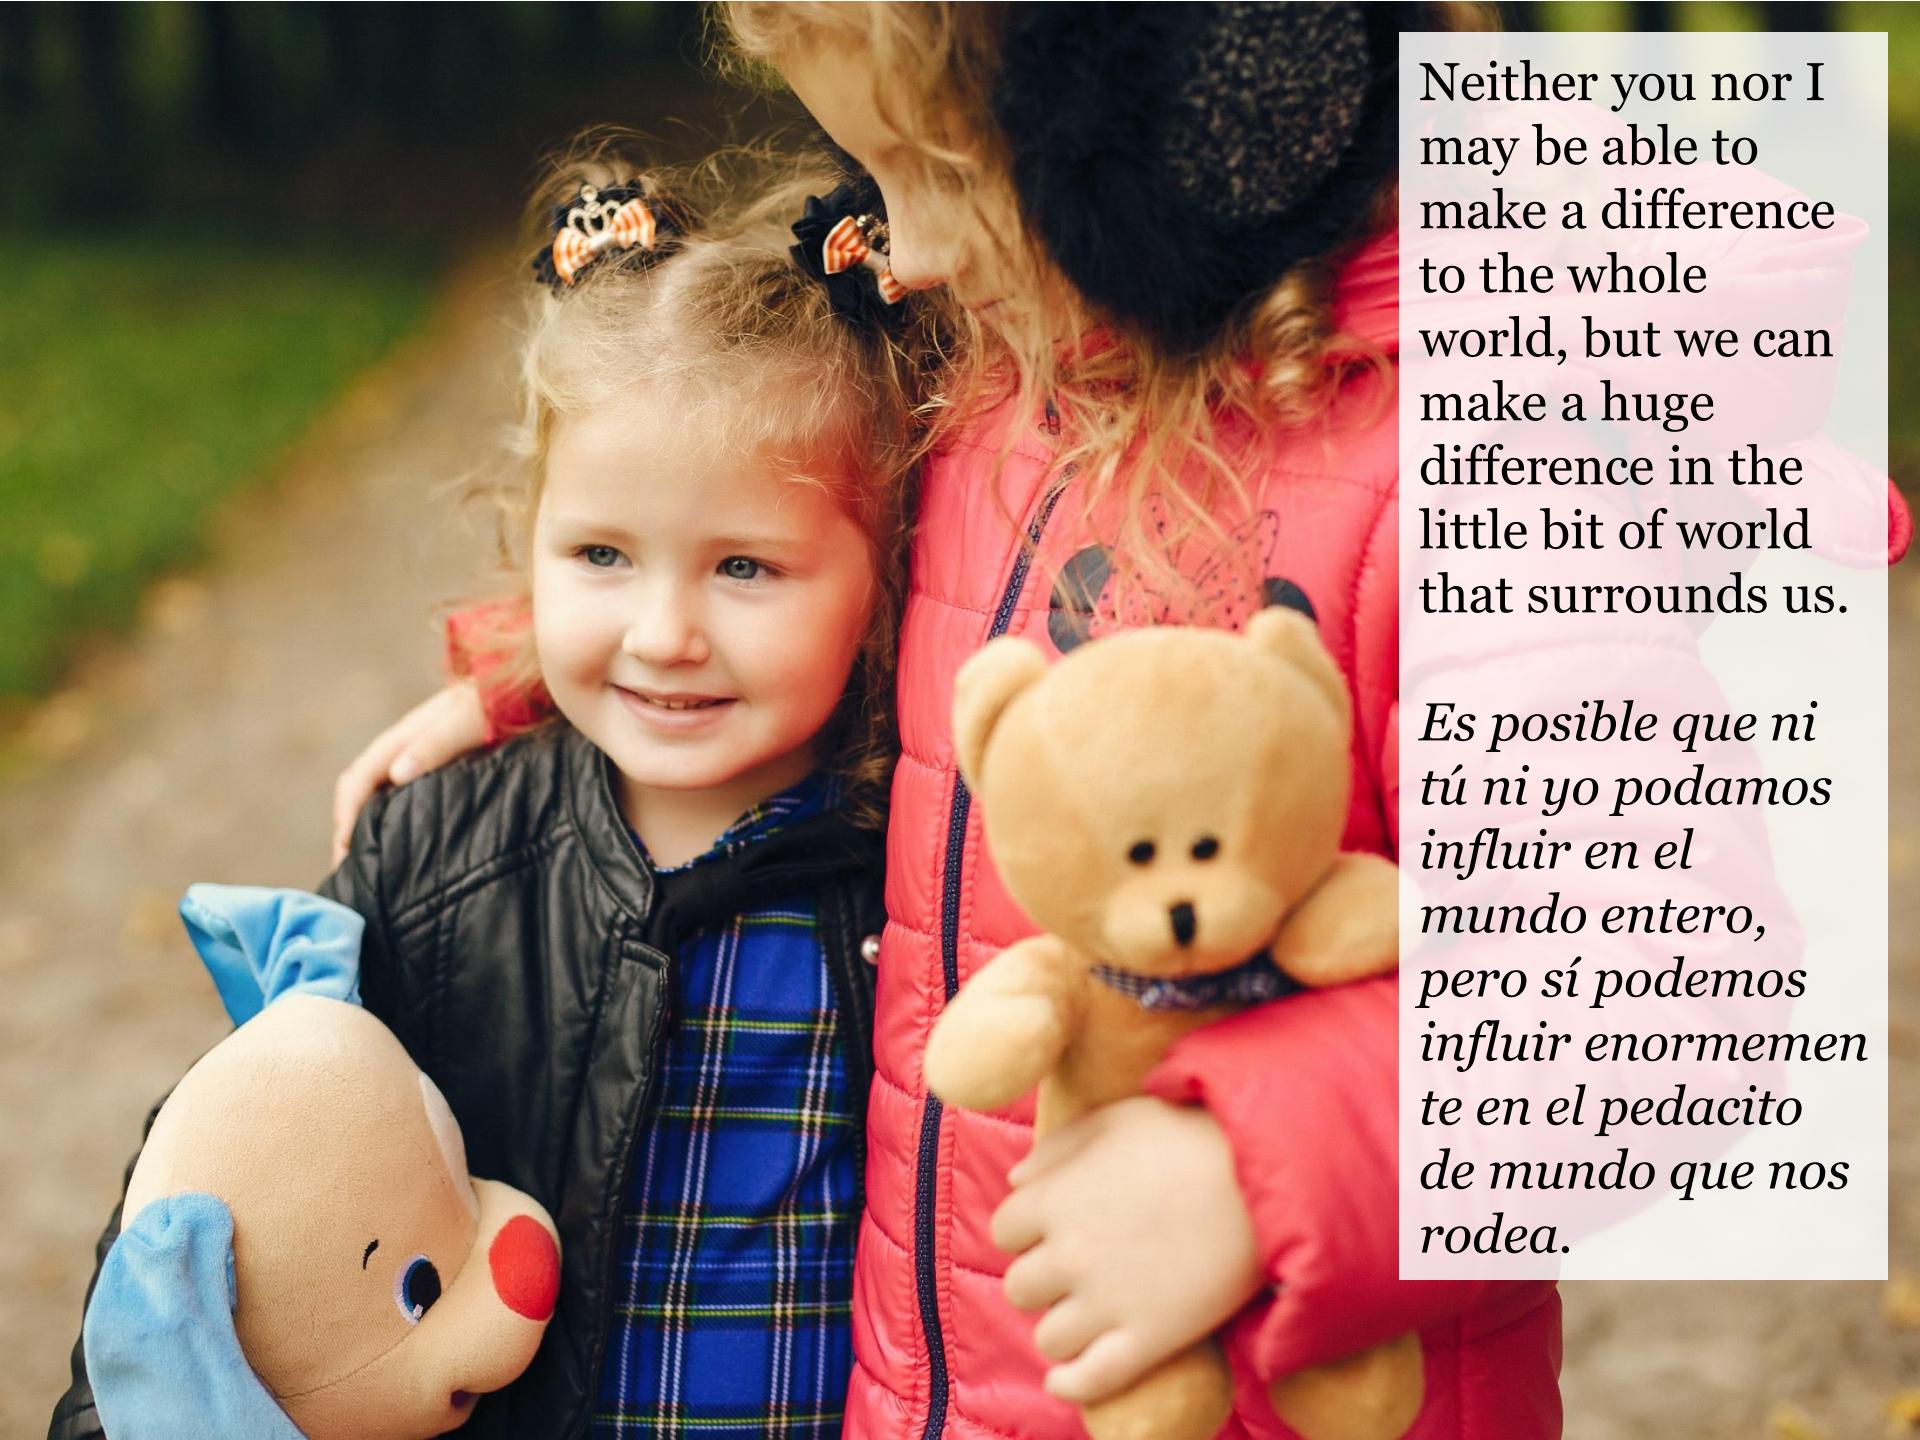

Es increíble lo que Dios puede hacer con  
lo que se perfila tan pequeño, como  
ustedes y yo.

When I can help in a big way, I will help in a big way. When I can help in a small way, I will help in a small way.

*Cuando pueda prestar una gran ayuda, la prestaré.*

*Cuando pueda aportar mi granito de arena, lo aportaré.*

Neither you nor I may be able to make a difference to the whole world, but we can make a huge difference in the little bit of world that surrounds us.

*Es posible que ni tú ni yo podamos influir en el mundo entero, pero sí podemos influir enormemente en el pedacito de mundo que nos rodea.*

Never forget that if there weren't any need for you in all your uniqueness to be on this earth, you wouldn't be here in the first place.

*Nunca olvides que si en esta Tierra no hubiera necesidad de ti y de tu unicidad, no estarías aquí.*

Your light might not be huge, but it will shine bright as you open your life to those around you and serve them with warmth and joy.

Aunque tal vez tu luz no sea muy grande, brillará con fulgor si abres tu vida a quienes te rodean y los sirves con calidez y alegría.
