

The Healer

El Sanador

The four Gospels are full of accounts of miracles of healing that Jesus performed—lepers were cleansed, the blind received sight, the mute talked, the lame walked, and the dead were raised to life again.

Los Evangelios abundan en pasajes alusivos a los milagros que operó. Numerosos relatos dan cuenta de las ocasiones en que sanó a leprosos, devolvió la vista a los ciegos, curó a parálíticos y resucitó muertos.

Jesus is just as ready, willing, and able to heal us today as He was the multitudes long ago. "Jesus Christ is the same yesterday, today, and forever" (Hebrews 13:8).

Jesús tiene actualmente la misma capacidad y voluntad de sanarnos que manifestó cuando curó a las muchedumbres en el primer siglo de nuestra era. «Jesucristo es el mismo ayer, y hoy, y por los siglos» (Hebreos 13:8)

No sickness or condition is beyond His power to heal, but neither is any ailment too small for Him to be concerned about.

No hay enfermedad o dolencia capaz de resistir el poder sanador de Dios. Al mismo tiempo, tampoco hay molestia tuya, por muy pequeña que sea, que no suscite Su interés.

Jesus loves you personally and dearly. Even if He doesn't heal you immediately, let Him draw you closer to His heart of love. Keep trusting Him, and watch Him work His magic in your life.

Jesús te ama de manera muy personal. Aunque no te sane enseguida, permítele que te estreche contra Su pecho. No dejes de confiar en Él, y verás las maravillas que obrará en tu vida.
